About

TRICARE experienced a sudden and massive increase to their service area, which meant they needed flexible, ergonomic and space-efficient furniture - fast! Kimball Office rushed to their rescue, delivering quality furnishings on time, on schedule and on budget.

Challenge

Trained to manage emergency situations with finesse, TRICARE needed a furniture partner who could do the same. Their orders to Kimball Office regarding furnishings were to:

- Provide flexible and ergonomic solutions
- Enhance space and productivity
- Install everything on time and on budget

Solution

Kimball Office outfitted TRICARE with flexible and space-efficient workstations. Paneling and ergonomic seating provide comfort and privacy for enhanced productivity. All furnishings were delivered on time and on budget, including:

- Xsite panel system
- Osterley Park, Priority, and Definition desks and storage
- Conferencing Solutions tables
- Skye, Stature, Arena, Collage, and Innsbruck & Osterley Park seating

Results

"Employees are working very long hours and getting lots of work done in comfort, thanks to Kimball Office furnishings. All in all, I'm overwhelmingly pleased," said Tri-Care's Officer in Charge.
